SUBJECT: 2017 Call for Giglia Endowment for Innovative Agriculture Proposals

The Dean for Research Office is pleased to request proposals for the Giglia Endowment Award for Innovative Agriculture. This is a \$5,000 award to “support research at UF/IFAS that is focused on products and/or technology that incorporates a new approach to agricultural practices; preference shall be given to research associated with new technologies for conserving water in agriculture and horticulture production.” Any UF/IFAS Faculty member is eligible to apply.

To apply for this award, please go to the following website: <http://researchtools.ifas.ufl.edu/giglia/> and complete the three page form by **Wednesday, June 14th, 2017**. The information requested includes:

- Page 1: Cover sheet (project title and the name, unit, phone number and email of the PI; you will be prompted to enter co-PI information before proceeding to Page 2).
- Page 2: Budget (limited to \$5,000 that can be itemized by salary & fringe, materials & supplies, and other categories; brief justification is limited to 250 words).
- Page 3: Narrative (description, justification, and value of the project to Florida agriculture; each text box is limited to 500 words).

Upon submission, the lead PI should receive an immediate email confirmation, if not, please let me know. If you have any other questions, please do not hesitate to contact John Davis, Associate Dean for Research, directly at jmdavis@ufl.edu. If there are any IT issues with the website, contact Brian Gray at seven7@ufl.edu or 352-392-1784.
