RE: 2017-2018 UF Foundation Term Professorship - Nan-Yao Su

Colleagues,

Each year UF/IFAS has the opportunity to submit one nominee to the Provost for consideration in the University of Florida Foundation Term Professorship Awards in support of the university's preeminence goals and to support faculty research efforts. The Foundation awards only two Term Professorships campus-wide.

This year, our nominee from UF/IFAS – Dr. Nan-Yao Su from the Ft. Lauderdale Research and Education Center – was selected for this honor.

Please join me in congratulating Dr. Su on this achievement!

Jackie
