TO: UF/IFAS Unit Leaders  
FROM: Robert Gilbert  
SUBJECT: 2019 Excellence Awards for Assistant Professors | Call for Nominations

Please see the Provost's announcement below calling for nominations for Excellence Awards for Assistant Professors. The awards recognize "excellence in research" for junior faculty. Recent recipients include Erica Goss and Todd Osborne (2018), Samantha Brooks and Daniel Carrillo (2017) and Jiri Hulcr and Patricio Munoz (2016).

UF/IFAS/CALS is allowed to forward two (2) nominations for the competition. (Note that those assistant professors who currently have packets submitted for tenure and promotion are NOT allowed to apply for this award.)

We are requesting that each unit submit one nomination to the UF/IFAS Dean for Research Office by Monday, February 25, 2019. A selection committee will assist the deans in identifying candidates forwarded to the Provost.

For your nomination, please submit a two page abbreviated CV and a two page research summary of current projects for your nominee (see below). Please also provide a draft nomination letter, as this will accelerate finalizing the package to submit to the Provost.

Please submit your nomination to this site: <http://researchtools.ifas.ufl.edu/eaap/> by **Monday, February 25, 2019**. Please contact John Davis ([jmdavis@ufl.edu](mailto:jmdavis@ufl.edu)) or Cassie Sexson ([cjlema@ufl.edu](mailto:cjlema@ufl.edu)) if you have any questions.
