

## Demonstrating UF Affiliation

All publications referenced in the annual report **must contain confirmation of University of Florida affiliation**. Publications that do not include UF in the author's byline will be excluded. Please refer to the two examples below:

Citation in APA 6<sup>th</sup> style:

Cicero, J. M., Fisher, T. W., Qureshi, J. A., Stansly, P. A. & Brown, J. K. (2017). Colonization and intrusive invasion of potato psyllid by '*Candidatus Liberibacter solanacearum*'. *Phytopathology*, 107(1), 36-49.

This article may be viewed at: <https://doi.org/10.1094/PHYTO-03-16-0149-R>

**Example 1:** Even though the current address of the first author Joseph M. Cicero is University of Florida, Entomology and Nematology, his institutional affiliation is with the School of Plant Sciences, University of Arizona. The reference would be **excluded** from the ENTNEM unit list.

Phytopathology • 2017 • 107:36-49 • <http://dx.doi.org/10.1094/PHYTO-03-16-0149-R>

**Disease Control and Pest Management**

**Colonization and Intrusive Invasion of Potato Psyllid  
by '*Candidatus Liberibacter solanacearum*'**

Joseph M. Cicero, Tonja W. Fisher, Jawwad A. Qureshi, Philip A. Stansly, and Judith K. Brown

First, second, and fifth authors: School of Plant Sciences, 303 Forbes Bld., University of Arizona, Tucson 85721; and third and fourth authors: Southwest Florida Research & Education Center, University of Florida IFAS, 2685 State Road 29 North, Immokalee 34142.  
Current address of J. M. Cicero: University of Florida, Entomology and Nematology, 1881 Natural Area Dr., Steinmetz Hall, Gainesville 32611.  
Accepted for publication 25 July 2016.

**Example 2:** The institutional affiliation for both Jawwad A. Qureshi and Philip A. Stansly is Southwest Florida Research and Education Center, University of Florida, IFAS. The reference would be **included** one time in the SWFREC unit list.
